PROFESSIONAL SUMMARY

Business Analyst and Database Administrator with 5+ years of strong experience of combining analytics and business knowledge to solve meaningful business problems and building relational database systems. Proven track record delivering actionable BA solutions, while ensuring data quality analysis, data migration, and data validation. Deep expertise in T-SQL, Power BI, Python, Azure, and data governance. Strong background in troubleshooting data issues and root cause analysis.

CORE COMPETENCIES & TECHNICAL SKILLS

Power BI	Tableau, SSRS, data visualization, web analytics, Microsoft Exchange, ETL, SSIS, data quality integrity
T-SQL & Databases	T-SQL, SQL Server 2022, PostgreSQL 12-17, Oracle 19c, MySQL, MariaDB, MongoDB
Technical tools	JIRA and Microsoft tools (Word, Excel, PowerPoint, Visio), BPMN, Agile, Gant, Confluence, Trello
Azure & Cloud	Azure SQL, Managed SQL, ADF, Azure Blob Storage, Azure Monitor, AZ DevOps, Azure App Services
Coding	Java, Python, Bash, Windows server, PL/SQL, Ansible, Linux, PowerShell, continuous improvement
DevOps	Git, Azure DevOps CI/CD, Jenkins, Docker, Kubernetes, testing, figma, Active Directory
Data Governance	Data quality controls, RBAC access management, data security, compliance reporting
Proactive Operation	Reporting oversight, root cause analysis, production incident resolution, stakeholder communication
Languages	• English: Professional • French: Professional • Arabic: Fluent

PROFESSIONAL EXPERIENCE

Business Analyst / DBA | Societe Generale | March 2023 – Present

- Developed and maintained Power BI dashboards and reports delivering operational insights across business units, reducing reporting effort by 25% through automated data workflows.
- Built and optimized ETL/ELT pipelines using Azure Data Factory, SSIS, and Python, supporting data ingestion, transformation, and delivery for BI reporting and analytics workloads across 100+ production databases.
- Wrote and optimized SQL stored procedures; analyzed execution plans and improved performance by 30%.
- Troubleshooting data issues & data sources, performing root cause analysis and implementing fixes JIRA status.
- Ensured proactive oversight of scheduled reporting workflows, monitored accuracy, and analytical reports.
- Translate business issues and deployed marketing analytics stack (Google Analytics, Segment, Tableau).
- Assist with the definition and continuous improvement of BA processes and interactions with the team and IT and make recommendations to improve overall effectiveness and efficiency of the business within defined SLAs.
- Collaborate with business stakeholders to gather reporting requirements, define KPIs, and translate business needs into technical specifications for analytical and reporting solutions documentation.
- Collaborated with stakeholders to translate business requirements into BA solutions, data modeling and reporting.
- Partner with cross functional teams to support analytics implementation, reporting enhancements and user data.

Database Administrator | Corporate Software | Jul 2022 – Dec 2022

- Administered Azure SQL databases, implemented LDAP authentication with CI/CD, git, jenkins and AZ DevOps.
- Implemented database backed LDAP authentication using JavaScript and Oracle on Windows Server 2019.

Database Administrator | BC Skills Group | July 2021

- Designed database schemas production systems; automated reporting using Power BI with 25% effort reduction.
- Contributed DevOps and Agile/Scrum best practices to a 5 person team using Git and CI/CD pipelines.

KEY PROJECTS

- Architected HA and deployed 2 nodes PostgreSQL cluster with Repmgr replication and PGpool automatic failover.
- DBA Ansible for automating Installation, high availability, backups, monitoring databases on Linux and cloud.

CERTIFICATIONS

- **Microsoft Certified: Azure Administrator Associate** - Microsoft, 2024
- **Oracle Cloud Infrastructure Data Management Professional** - Oracle, 2024
- **AWS Fundamentals** - Amazon Web Services, 2023

EDUCATION

Master Degree - Computer Science | Moroccan School of Engineering Sciences | 2020-2023

Associate Degree - Computer Science | Higher School of Technology, Cady Ayyad University | 2017-2020
